

JUNE NEWSLETTER

Important News for June:

We are working on our calendar for the Fall. We have some dates for your calendar planning: CCLGP will be closed on Friday August for our Annual Teacher Workday and then again on Monday September 7th for Labor Day.

We are in continuing contact with Community Care Licensing regarding all things Covid-19. They have ultimate jurisdiction over us. There can be a few days lag time between what the Governor decrees and Licensing approving the mandate and applying it to Centers.

This is a fluid situation – always changing. Thank you for your patience and prayers. We love you all and can't wait until we are ALL back together again!!
