

JULY NEWSLETTER

Important News for July:

We have some good news that is allowing us to go forward... we passed our virtual Licensing inspection last week that was concerned with all things Covid-19. We may now move forward and allow 10 children in each class whether or not their parents are on any work lists. That being said, we have made some BIG decisions to ensure our school keeps going. First, we will adjust to be able to accommodate whatever school schedule occurs that would directly affect our School Age families in the Fall. Second, effective August 1st, we will no longer be holding spots for our friends that have not been with us due to Covid. All families that desire to have their spot, must either attend and pay or pay the tuition for that spot. Also, effective August 1st, any new families that join us must commit to a Full Time spot for the foreseeable future. **Current family schedules will be honored.** We will also no longer be pro-rating in the Winter and Spring but have reduced our prices as we have lost so much time together in 2020. A notification will go out through Brightwheel with more info the week of 7/6. Registration for 2020/2021 will start being taken July 15th.
