Our scheduled closures are factored into our tuition schedule. The same tuition billing applies to all 12 months. If your child is absent from school, full tuition will be charged and is expected as your child owns their spot.* As stated in our previously released Covid Planning Letter, attending preschool is a choice and there is a chance of exposure. Unfortunately, we are unable to refund tuition due to quarantining purposes.

*Thank you for your cooperation in this matter.

*If your family is experiencing a catastrophic event, please do not hesitate to speak with the Director.
