Cold / Flu / Covid update ...

One of the best weapons we have as we fight to keep our little school healthy is total and complete HONESTY. I challenge my teachers to not work when not feeling well and encourage them to take publicized safety precautions seriously. We need you, our families, to do the same. Please do not send your student to school sick or on medication and if you even think you may have been exposed, please follow CDC protocols and isolate. Isolation time has been cut in half! ❤️
